Assistant to the Director

SUBJECT : Senior Staff Meeting Agenda

At the Deputy Director (Support) Staff Meeting last week [REDACTED]

25X1

25X1 [REDACTED] gave a very interesting presentation on the A & E Staff's Testing and Evaluation Program. It occurred to us that this presentation might be of interest at a Senior Staff Meeting. The presentation takes about twenty-five minutes, and [REDACTED] would be glad to present it if the Director feels it desirable.
